01

Y-line

The unique handleless kitchen. Integrated handle profile, clean lines, and front return panels create a seamless front aesthetic.

Uncompromising design with maximum creative freedom.

02

4 Product lines - 1 Plattform - 1 Quality

- Consistent programs and colours
- Consistent technology behind the front as well
- Same quality standard

03

Carcase composition and Quality

Maximum stability is ensured by 16 mm thick carcass walls, a 5 mm thick rear panel with a solid wood cross beam, and 18 mm shelves with metal support pegs and tilt-safety device.

04

Carcase colour and edge variations

- Inside white with more than 140 different visible sides
- Inside and outside in stratus grey pearl with more than 75 edge variations

05

Drawer-Pull-out system

proTech X combines modern purist frame design with technical precision: clean, slim profiles paired with quiet, smoothly running drawers.

More than 100 versions –
6 ergonomic plinth heights

- 65 mm
- 90 mm
- 115 mm
- 140 mm
- 165 mm
- 215 mm

10

Surrounding Design

10, 16, 25 and 50 mm panel,

- 36 mm design panels and panel material in many colour combinations.

16 mm
50 mm
25 mm
10 mm

11

Perfect Join

Horizontal and vertical joint width of 4 mm for a perfected aesthetic – across all product lines.

Consistent lines emphasise the clean, design-oriented appearance.

12

Hinges 107°, dampened

Doors close gently and quietly thanks to integrated damping in the hinges – stylishly finished with a metal cover cap.

13

Wall units

351 mm deep

- Usable internal depth = 329 mm
- Cabinet bottom in full depth up to the wall for a perfect finish

565 mm or 575 mm deep

- usable internal depth = 543 mm

14

Handles and Knobs

Handleless is not an obligation, our diverse collection offers a large selection of current trends.

Expanded standard assortment

- 1152 mm or 1440 mm high wall units
- Wall-hung base units in **X-line**, **Y-line** and **proline**¹²⁸
- 1500 | 1800 mm wide base units
- Wall units 351 mm or 565 | 575 mm depth

15

Front Extension

- To the floor:
Hinged doors and pull-outs up to a maximum of 15 mm above the floor
- To the top:
hinged doors extended above the carcass, up to a maximum of 230 mm
